Dimitri Affordable Safe Housing (DASH)

Program Description: The Dimitri Affordable Safe Housing (DASH) program was founded in 2015 in response to one of the most common barriers that Dimitri House staff had identified to permanent housing: security deposits. The DASH program seeks to remedy this problem by providing not only security deposits to individuals and families looking to make the transition from homelessness back to permanent housing, but to also provide them with the intensive case management services necessary to help them maintain permanent housing.
